This lovely modern Bailey Adamo 69/4 features a great sized drop down double bed over a front lounge which can be made into a double bed. Giving the 4 berths in total. The front seats swivel around to form a lovely communal area. There is a centre kitchen comprising of an oven and grill, 3 gas burners and a large capacity fridge. There is a rear washroom with a large separate shower. Behind the washroom is a huge garage with enough room for bikes and plenty of storage. Above the garage is a fantastic wardrobe which provides a huge amount of storage space for clothes.

It really is a very modern motorhome, with great build quality and a lovely light and spacious feel. A very popular layout with so much flexibility.
