Exterior Features

ALU-TECH BODYSHELL

- European Whole Vehicle Type Approved

CONSTRUCTION

- Structural interlocking aluminium extrusion external framework with no external fixing points and concealed awning channels on both sides
- Five part fully bonded exterior panel assembly system featuring
 - Upper body panels manufactured using superior bead application laminating technology for a stronger more consistent bond
 - Upper body panels built using a timber free construction, incorporating a composite plastic internal skeleton, a high density polystyrene insulation and a GRP inner wall lining
 - Upper body panels cloaked in a single sheet impact resistant GRP outer skin for extra durability and improved thermal performance
- Aesthetically enhanced aerodynamic bodyshell profile for enhanced towing stability and improved fuel economy
- Distinctive duo-tone bodyshell colourways, in slate grey and polar white, with co-ordinating contemporary graphics scheme

EXTERIOR FEATURES

- AL-KO galvanised steel chassis, braking system and running gear
- 14" Alloy wheels with bespoke caravan tyres
- Centrally mounted easy-access gas locker for enhanced stability and reduced nose weight
- Hartal two part exterior access door with moulded interior liner and map pocket

- Polyplastic double glazed windows throughout

Interior Features

SPACE

- Internal headroom of 1.96m (6'5") throughout the length of the caravan
- Body width of 2.23m (7'4")
