

SOLD Coachman Olympian 450/2 (2012)

## Overview

The 2012 Coachman Olympian 380/2 is a compact two berth layout with parallel front single beds or one double plus rear kitchen and corner washroom.

- Double sealed Hartal one-piece exterior door with waste bucket
- Luxurious sprung bedding and backrests finished in fire retardant fabric
- Pullout top to the 3-drawer chest of drawers
- Omnivent rooflight extractor fan with clear dome
- Dual fuel hob & grill with three gas burners and one electric hotplate
- Aluminium sides manufactured from thicker aluminium for greater impact resistance
- Wide body shell with overall width of 7' 5"
- Laminated roof
- Lined external locker
- Heki 2 panoramic rooflight in all models
- Microwave oven in dedicated housing
- External barbeque gas point
- Exterior TV aerial input and satellite input sockets
- Headroom of 6' 5" in all models
- Fully engineered aluminium frame front beds with hinged lift-up system supported by a gas strut in the open position
- Truma Ultraflow Water system with double element for speedier performance with combined pressure switch/surge damper and filter
