

Adria Supersonic 780 DL

Overview

£161,380

Taking its lead from Luxury Yachts, homes and Automotive design, these class leading A class motorhomes are finished to a upper class standard. Based on a Mercedes-Benz engine and powerchain, supplemented by an Alko Chassis, the quality starts at the bottom and works up. Habitation Air Con, Automatic Gearbox, Alde Heating, a choice of Leather Upholsteries, and Adria's MACH system all come as standard, with a finish which matches these perfectly.

Specifications
