Overview

With modern styling and cutting edge interiors the Challenger Sport range provides outstanding value at weights that can be towed by most family cars.

All models now come with the feature panoramic front roof window as standard and there is a choice of ten layouts including a 6 berth family "twin axle.

Further upgrades for 2013 include fitting the Truma Combi-Boiler which operates from both gas and 230V mains power for the hot water and blown air system and is controlled by a programmable, touch screen control panel, unique to Swift.

The size of a conventional water heater it enables the space that previously housed the room heater to be used for additional storage.

Swift Plus Points

You can be reassured when you buy a Swift Caravan that they all come with the following market leading features

- European Whole Vehicle Type Approval ensures compliance with strict weight, dimension and safety regulations
- EN1645 Grade 3 classification for heating and thermal insulation
- 1.95m (6'5") headroom
- One-piece, 5000 Series marine grade aluminium sidewalls
- Higher tyre rating - a minimum of 150kg extra load margin at 130kph (law permitting)
- Shock absorbers for a smoother towing experience
- Step-on hitch cover for easy cleaning of front windows
- Gas regulator fitted with stainless steel braided hose for improved reliability
- High security entrance lock for peace of mind
- Aerial point in battery box for portable satellite dish connection
- TV station with 230V, 12V and aerial sockets (two in 586, 564 and 584 models)
- Bed make-up system with slats retained on track
- Seat bases with spaceframe construction, full front access and space for larger items
- Areas under beds and seats warmed by blown air system and underfloor ducting insulated to minimise heat loss

- Front chest of drawers with convenient slide-out extending top
- Large dining table (960mm x 600mm) for full-size place settings
- Positive overhead locker catches for secure storage on the move
- Dual fuel hob with 800W electric hotplate and 3 gas burners with electronic ignition
- Ventilated microwave oven with digital controls built at an easily accessible level
- High flow rate in-board pump with chrome finish brass taps for reliable, high performance water supply
- Separate shower mixers with adjustable head positions
- High impact, scratch resistant floor lino
- Large capacity (15 litre) waste bin on lower door
- Solar panel connection provision
- **New** Panoramic front sunroof - now standard
- **New** Thatcham approved tracker fitted as standard

Exterior

- Aerodynamic front in closed-mould GRP with wide front door
- Full height moulded rear panel
- Fully bonded roof for extra strength and flatness
