Swift Conqueror 630 (2013)

Click the Swift logo for the Swift Conqueror website

Overview

The Conqueror range is the ultimate in touring luxury. With class leading width and headroom they house everything you need for 5 star touring.

Available in both single and twin axle layouts they are quite simply the best all round tourers that money can buy.

For 2013 the Alde central heating and hot water system gets a user friendly touch screen control system that is exclusive to Swift. The latest Dometic fridges come with either a removable freezer compartment or a separate freezer depending on the model.

Keeping the leisure battery charged is made easy with the new roof mounted solar panel which delivers 20watts of power and the aerodynamic exterior with distinctive panoramic roof window continues to be the most stylish shape on the market.

The list of luxury, safety and practical features is almost endless. Infact these models are so complete that they are only missing one thing... you.

• **Swift Plus Points**

You can be reassured when you buy a Swift Caravan that they all come with the following market leading features

- European Whole Vehicle Type Approval ensures compliance with strict weight, dimension and safety regulations
- EN1645 Grade 3 classification for heating and thermal insulation
- 1.95m (6'5") headroom
- One-piece, 5000 Series marine grade aluminium sidewalls
- Higher tyre rating - a minimum of 130kg extra load margin at 130kph (law permitting)
- Shock absorbers for a smoother towing experience
- Step-on hitch cover for easy cleaning of front windows
- Gas regulator fitted with stainless steel braided hose for improved reliability
- High security entrance lock for peace of mind
- Aerial point in battery box for portable satellite dish connection
- Two TV stations with 230V, 12V and aerial sockets
