

SOLD Swift Elegance Grande 645

Overview

Amazing extras included:

Powrtouch All-Wheel drive Automatic mover

£32,995

E & P automatic levelling system

Satfi automatic satellite dome

The Elegance Grande extends the appeal of the exquisitely refined Elegance range to 8ft wide, offering grand, luxurious interior living space.

Built using SMART 3 construction – the third generation of totally timberless SMART caravan construction, it features a New revolutionary floor construction.

A sweeping, aerodynamic front panel, incorporates triple flush fitting opening windows and a panoramic sunroof. Stylish graphics, premium jockey wheel, bright LED road lighting and rear-view camera are just some of the finishing exterior touches.

Unladed weight does not include the Powrtouch mover, satellite and levelling system.
