

SOLDElddis Osprey 866 (2017)

## Overview

£21,995

The all-new Elddis Avante 866 is BIG news for caravan-loving families. This Avante model, at **8ft wide**, is larger than it's stable-mates, which has enables our designers to create an unprecedented family layout.

The super-size lounge is the perfect space for dining and entertaining and at night converts to the largest of double beds.

The generous horse-shoe shape diner sits opposite the family-size kitchen, creating a bright and convivial space for lunch or just kicking back and relaxing.

The ample width allows for a completely new set-up at the rear of the caravan. Large 'pod' style bunk-beds, which the kids will love equally as much as their own lounge area - where they can game, watch movies and have their own tea parties.

Alongside this, you'll find a rather sumptuous - and of course family-sized - bathroom, with plenty of storage, too.

The features include, twin axle with alloy wheels, Al-Ko hitch stabiliser, ATC, external BBQ point, 240v socket inside side locker, Powrtouch Evolution Twin axle motor mover – manual engagement, sunroof, large Dometis fridge with freezer compartment, Thetford Aspire cooker with dual fuel hob, microwave, worktop extension, directional TV aerial, drop fit carpets, Whale heating system, CD/radio, Thetford cassette toilet, smoke alarm, CO alarm, large washroom with separate shower, large roof light in lounge area, Hartal door and bin, freestanding table, Thermal Insulation grade 3, centre chest, 2 x TV points – front & rear, 4 x 240v sockets & 2 x 12v sockets.

Front mattress size 2 x single 7.20m x 1.830 (2'6" x 6')

1 x double 1.34m x 2.26m (4'8" x 7'5")

Side Dinette mattress size 1 x double 1.34m x 1.90m (4'5" x 6'3")

Rear mattress size 2 x single bunks 5.90m x 1.92m (1'11" x 6'4")
