DINMORE Leisure

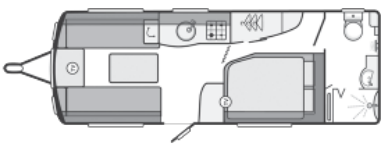
SOLDSwift Elegance 570 (2016)

Overview

£20,995

Discover another world of leisure with the Swift Elegance, an exquisitely refined touring experience of luxurious comfort that is second to none.

Built using the innovative and award winning SMART HT construction



system, the Elegance not only looks stunning, it is lavishly appointed and perfectly proportioned to ensure that your touring is as comfortable as it is memorable.

The spacious interior is immaculately designed and cleverly detailed to provide the maximum in comfort and practicality. The positioning and versatility of the energy efficient LED's, from front pillar lights to dimmable spots and overlocker lighting, combine to create the perfect ambience.

Whether you're relaxing or entertaining you will be enveloped by the carefully chosen decorative scheme of 'Winchester Stone' which combines real leather with cleverly protected suede-like SwiftShield, a stain resistant fabric that keeps its good looks. For luxury at bedtime, all fixed beds are fitted with the exclusive Duvalay Duvalite mattress, containing ultra light weight yet sumptuously comfortable memory fibre technology.

Fully equipped and immaculately dressed, the Elegance is the pinnacle of the Swift range of tourers and comes with an impressive specification. The kitchen work surface is crowned with HI-MACS® natural acrylic stone, a non-porous, dirt-repellent surface and an LED lit cocktail cabinet provides dedicated space for your after dinner drinks.

The new Swift Command control system features a new intelligent power supply unit with LCD control panel; certain functions can be controlled/monitored remotely via the new Swift Command App. State-of-the-art functionality continues with USB and audio interfaces, an 80W solar panel and a washroom that boasts a convenient domestic style towel radiator, a feature of the Alde central heating system.

Specifications
