Exterior Features

All our Swift Sprite range are fitted with the Panoramic sunroof and the Diamond pack (integrated DAB & FM radio tuning and sound setting control – part of Swift Command Control System, 'Edge' alloy wheels, Al-Ko AKS 3004 stabiliser, Al-Ko secure wheel lock receiver two on Quattro, Door fly screen, Microwave oven & Two scatter cushions)

Sprite is the UK's best-selling, multi-award winning caravan range. Completely redesigned last season it has a more up-market feel and continues to revolutionise entry-level caravanning.

SPRITE STYLE

With three opening front windows, stylish 'Tyrion' soft furnishings, low energy LED lighting throughout, fast heat up Truma Combi-Boiler and well equipped kitchen and washroom, you may be surprised you've walked into a Sprite and this is the secret to its success.

Sprite is the UK's best-selling, multi-award winning caravan range. Completely redesigned last season it has a more up-market feel, yet still honours its heritage and continues to revolutionise entry-level caravanning.

Built with industry leading SMART construction, the Sprite is more durable making it an even better investment, and with ten layouts including four twin axle models, it's easy to match a caravan to your budget.

Attractive pricing combined with great features and a wide range of options, make Sprite even more desirable.

Staying ahead of its rivals and perfected over generations, the affordable, stylish and lightweight Sprite range once again takes the crown as the UK's best selling caravan range.

With three opening front windows, stylish 'Tyrion' soft furnishings, low energy LED lighting throughout, fast heat up Truma Combi-boiler and well equipped kitchen and washroom; you may be surprised you've walked into a Sprite and this is the secret to its success.

There is a wide range of options including a panoramic sunroof and Diamond Pack, which are so competitively priced, they are always selected.

This season's refinements include a redesign of the front chest and binnacle area which now features a soft close drawer with concealed drawer inside. Practical changes include better access to sockets in the kitchen and **New** modern slate grey worktops.

Boosting specification levels further is the enhanced Swift Command control system. This now comes with a **New** larger 7", easier to use, LCD colour touchscreen control panel with improved functionality and app interface. It now features integrated DAB and FM radio tuning and sound setting control as part of the Diamond Pack.

The option to subscribe to a pre-installed Thatcham Category 6 approved pro-active tracker provides added protection.

- European Whole Vehicle Type Approval ensures compliance with strict weight, dimension and safety regulations
- EN1645 Grade 3 classification for heating and thermal insulation
- Overall body width 2.25/7'5"
