

Autotrail Tracker RB (2018)

Overview

£55,995

This well looked after AutoTrail Tracker features a Transverse rear island bed with a washroom and separate shower that can be sealed off for privacy. Front captain swivel seats which form a spacious sitting area with the lounge, which converts into another double bed. There is a very light

and airy feel about this motorhome with great skylights, windows and a lovely interior. Full length fridge as well as an additional microwave above the cooker. Additional towbar and with a 4200Kg Chassis, it allows for plenty of load. Great specification and finish. Contact our family owned business for over 45 years for more information.
