

sold Swift Rio 325 (17 Reg)

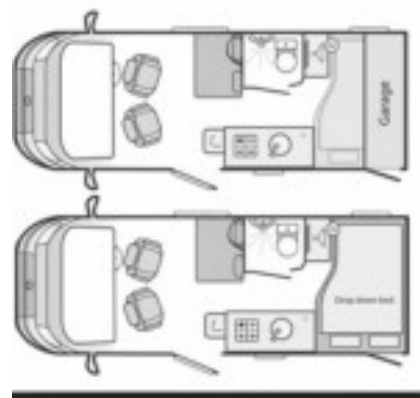

Overview

£46,995

Based on a Fiat Ducato chassis, with a 2.3L 130bhp turbo diesel engine, power steering, driver and passenger airbags, ABS, daytime running lights and electronic brakeforce distribution all come as standard equipment. Also fitted a Omnistore awning and dual reversing camera with monitor.

Two belted seats in the dinette bring the total number of travel seats to four. Legroom in this position is agreeable and a large side window allows good sightseeing in transit.

When it's time to go to sleep in this two-berth 'van, you'll be accommodated in the transverse bed above the rear garage. It measures a respectable 1.85m x 1.3m (6ft 1in x 4ft 3in).

1st registered in June 2017
