

SOLD Autotrail Tracker FB (16 reg)

Overview

The Tracker range continues to develop into one of the most popular motorhome ranges in the UK. These designs orientated vehicles are so exceptionally well planned that they provide all the home comforts you could desire in a compact sized vehicle. 2016 sees an updated soft furnishing scheme, Willow, which gives the interior a modern and contemporary atmosphere. All models feature dual fuel four ring hobs, full size oven/grills, 800w microwaves and large 96 ltr refrigerators, with freezer compartments (replaced by a 175 ltr fridge freezer on the FB). There are luxurious washrooms, with separate showers and 12v flushable

toilets, completing the authentic home from home feeling. Starting with the RS at only 6.10m and completed by the largest RB, which features a transverse island bed, there will no doubt be a model to fulfil your desire. Step inside a Tracker and you will be amazed by its clever, space maximising design which delivers a compact and practical home.

The FB's permanent low-level 'French' double bed provides accommodation for those who are looking for perfect sanctuary. Alongside this popular bed option is a length ways washroom including a luxurious, independent shower area. Further forward is a superbly appointed L-shaped kitchen which leads into a cosy lounge area that seats six. At just a touch over 7m this is a compact tourer which provides the highest levels of luxury and comfort for your extended tours abroad. This model comes with an efficient 130bhp engine with a precise six-speed manual gearbox, Electronic Stability Control (ESC) and traction control, all as standard.

This vehicle is due in, all specifications will be available then.
